Supplemental Brief In Support of
Motion To Proceed In forma Pauperis

COMES NOW the plaintiff David Watkinson through pro se,
hereby files this supplemental brief in support of motion to
proceed in forma pauperis to argue that he is an involuntarily
committed insanity acquittee and not a "prisoner" within
the meaning of 28 U.S.C. Section 1915(e), or the Prison
Litigation Reform Act. Therefore he does not have to
establish his poverty by way of a prison account statement.

Wherefore, for the foregoing reasons Mr. Watkinson
request that this Court should grant his motion to proceed
in forma pauperis.

Respectfully Submitted,
